### **Alan Dhingra**

A graduate of the Ontario College of Art, Alan has been painting and printmaking for over 30 years. His original work is shown in galleries across Ontario.

Alan's love of nature, hiking and exploration began when he moved to Canada and joined the Boy Scouts. He has paddled and hiked many miles with family and friends since then. His paintings were inspired by the landscapes and wildlife encountered on those trips. "I love that the maps in my work conjure up so many happy memories of family summer cottages and camping and canoe trips for everyone that sees them."
